Dear Rick,

Our Middle School students had a wonderful experience going to TBH to see "La Causa." We are so grateful to you for giving them the opportunity to do so. Their experience of the photographs and the play made quite an impression! The questions they asked during and after the program were thoughtful and provocative. Their reflections, too, gave us a sense of the powerful impression the experience made on them. We attached excerpts from some of our students so that you, too, may have a sense of the effect the play had on them.

You have been and continue to be such a wonderful friend to Our Lady of Guadalupe School. We are excited about the renewed relationship possibilities between TBH and Guadalupe; your part in that development is a real gift.

Thanks so much for your generosity to us and for your faithful support.

May God bless you and your family,

*Chris*
